

## TEACHERS TRAINING DAY

Lecturers:

**Anna M. Rabufo Acquaye** and **Stefania Gallo**

On **23rd February**, at the **Castello di Rivoli** from 10:00 a.m. to 5:00 p.m.

This year the Summer Camp theme is "2013: Art Odissey".

This means that we're going to use Homer's Odissey stories and characters to encourage the kids to participate in theatre games aimed at creating a series of short performances.

In order to be effective, this year our teaching style should be based on a very energetic and positive attitude towards all that is "Action".

Therefore we'll have to focus on a common method, which has to be flexible enough to encourage the teachers in the first place, and then the kids, to explore the suggested theme using all of their imagination, their entire bodies (including their voices), the space around them and whatever seems useful to them. This is the "phylosophy".
